

Dear Martin Murphy Families,

I'm pleased to announce that your student is invited to attend an educational tour to Washington, D.C., Gettysburg, and Philadelphia.

In April 2018, I will be leading this trip with the help of EF Explore America. This is a great opportunity to see classroom lessons come to life and a chance to discover more about our country. Your child will not only be able to relate these places and experiences to their current curriculum, but also discover how these great cities have helped shape our past, present and future culturally and historically. This tour will give students new perspectives not only on themselves but also on the world around them.

I am excited to give your student the opportunity to participate in this exclusive, educational experience.

Reservations will be filled on a first come first serve basis as there is limited space on this trip. We will be hosting an enrollment meeting to discuss our destination, itinerary and educational value on **Monday September 11 at 7:00pm at Martin Murphy Middle School, in the main entrance.**

This is an amazing opportunity and I hope you will be able to come and learn more.

Sincerely,  
Alyssa Madden

**Please let me know if you can make it or if you're interested in learning more information but can't make it to the meeting.**
