

Blanket Drive

It's that time of the year when we can help our needy families during this cold winter nights. The Migrant Educational program is collecting new blankets to give to our families. We know that the cold weather makes it difficult for them. Many of them travel seasonally with the crops and others live in the camps on semi-permanent basis, working in local fields and nurseries.

Your kind donations are very much appreciated. If you want to donate a blanket or two, please bring them to your school site or to the Migrant Education office located on 17960 Monterey Rd. Room 2 and we will make sure it benefits a needy family. If you need someone to pick-up, please call us 408 201-6081
