Our school is participating in collecting pennies, nickels, dimes, quarters (and even dollars!) to help support Magical Bridge Playground Morgan Hill at Community Park from January 22 to February 5, 2018. <http://magicalbridge.org/morgan-hill/>

Magical Bridge is a playground for children and adults of all abilities and disabilities, including those with physical and cognitive disabilities, autism, hearing and visual impairments, those with sensory challenges, and even our aging population.

The funds collected during the coin drive will go directly to fund this community project. The grade that collects the most funds will receive a pizza party.
