Dear Parents,

Welcome back! We are excited to see you and your students, both new and returning. Please see the attached orientation dates and schedules for 6th, 7th and 8th grade students.

At our 6th grade orientation, parents can purchase uniforms for PE as well as order yearbooks. You will be receiving a packet that contains your student's schedule and a copy of the Parent and Student Handbook. Seventh and eighth grade students will check out Chromebooks, laptop cases and charging cords on August 24th. Students MUST sign a District Google Use Agreement. If the Agreement is not signed and returned, the student will be locked out of the Chromebook until it is signed and returned.

If you have any questions, please don't hesitate to call our front office. We look forward to seeing all of you and serving your students.

Thank you,

Alex Aasen
Principal
