Hello Martin Murphy Families-

The Board of Education has voted to reopen schools to students on April 12th. This means that families will choose to return to in-person instruction or will choose to remain in distance learning through June 4th.

Please see the approved bell schedule for both in person and distance learning instruction as teachers will be teaching both groups simultaneously. The parent presentation provided on Friday March 5th can be found using this [link](#).

Please complete the district survey emailed to you by March 10th. You may also use the code here.

We'll be scheduling a ZOOM Orientation for all students returning to in-person learning on March 29th at 8:30-9:30am or 5:30-6:30pm. Families will choose which Orientation to attend. On site campus tours for 6th grade and new students will be offered on March 15th at 4pm and March 20th at 10am. More details will be available when we receive the final survey results.

Thank you for all you do! As we move into a new phase of the school year, we'll need your continued support.

Ms. Del Bono and Ms. Dimas
